

## Quality Policy Statement

It is the policy of Parkopedia to maintain a quality system designed to meet the requirements of ISO 9001:2015 (or any other standard in line with Annex SL Structure) in pursuit of its primary objectives, the purpose and the context of the organisation.

It is the policy of Parkopedia Ltd to:

- strive to **satisfy the requirements of all of our customers**, stakeholders and interested parties whenever possible, meeting and exceeding their expectations;
- make the details of our policy known to all other interested parties including external where appropriate and determine the need for communication and by what methods relevant to the business management system. These include but not limited to customers and clients and their requirements are documented in contracts, purchase order and specifications, etc;
- **comply with all legal requirements, codes of practice** and all other requirements applicable to our activities;
- the **reduction of hazards**, prevention of injury, ill health and pollution;
- **provide all the resources** of equipment, trained and competent staff and any other requirements to enable these objectives to be met;
- ensure that all employees are made **aware of their individual obligations** in respect of this quality and information security policy;
- maintain a management system that will achieve these objectives and **seek continual improvement** in the effectiveness and performance of our management system based on “risk”.

This quality policy provides a framework for setting, monitoring, reviewing and achieving our objectives, programmes and targets.

Customer service is an essential part of the quality process and to ensure this is fulfilled, all employees receive training to ensure awareness and understanding of quality and information security and its impact on customer service.

To ensure the company maintains its awareness for continuous improvement, the business management system is regularly reviewed by Parkopedia Management to ensure it remains appropriate and suitable to our business. The Business Management System is subject to both internal and external annual audits.

Eugene Tsyklevich, CEO
