

QUALITY POLICY STATEMENT

It is the policy of Parkopedia to maintain a Management System aligned with the strategy and purpose of the company and designed to meet the requirements of ISO 9001:2015.

Parkopedia is committed to:

- prioritise **customer service** and **satisfy the requirements of all of our customers** by meeting their needs and, whenever possible, exceeding their expectations
- engage with all the relevant **stakeholders**
- **comply with all legal requirements, codes of practice** and all other compliance requirements applicable to our activities
- **provide all the resources** including equipment, trained and competent staff to enable the achievement of the established objectives
- ensure that all **employees are made aware** of their individual obligations towards the Management System and **encourage them to contribute** to its' successful implementation and improvement
- make this Quality Policy **available to the relevant external interested parties** and determine the need for communication where this is valuable to the business
- maintain a Management System that will achieve the established objectives and **seek continual improvement** of the its performance
- follow a **risk based approach** when monitoring and establishing priorities, improving and allocating resources

This Quality Policy provides the structure for setting, monitoring, reviewing and achieving our business objectives.

The Parkopedia Management Team is constantly monitoring the external and internal issues affecting the business, and regularly reviews and updates the Management System to ensure it remains relevant and effective.
